

WINSLOW CHANDELIER

DSC03
 English Bronze
 H: 32 IN
 Dia: 24.0 IN

Our Winslow chandelier exudes penthouse sophistication, designed in a framework of English bronze steel. A linear arrangement of ribbed, white acrylic and English bronze cylinder shades that extend off four arms, divided by suspended clear crystal tubes. The chic chandelier is suspended from a pipe that is connected to a disc canopy. Certified for damp locations and intended for interior use.
