

TROST PENDANT

DSI05  
 Flint Luster  
 H: 24 IN  
 Dia: 18.0 IN

The sleek, sophisticated Trost pendant transforms an interior like magic. The oversized, oval light is created in flint luster glass. Turn it on, and the color changes to a lighter shade, and the reflective finish becomes muted. The piece is finished with an adjustable, jewelry-style antique brass chain link. Finish will vary. Certified for damp locations and intended for interior use.
