

SEA ISLAND PENDANT

DW49001
 Natural Rattan,
 Polished Nickel
 H: 19.5 IN
 Dia: 20.5 IN

Recalling the humble yet complex architecture of a wicker basket the Sea Island pendant has a rattan structure and an ivory linen-wrapped interior. It hangs like a birdcage from the ceiling offering warm layered light the horizontal and vertical lines creating subtle pattern play. Designer Beth Webb believes in the power of lighting to create comfort romance and ease.
