

CHADWICK OUTDOOR SCONCE

DWC41
Marine Grade Aged Iron, Iron

Reminiscent of 1930's Streamline Moderne architecture, the aerodynamic angles of the Chadwick make it both contemporary and timeless. A conical shade of aged iron is lacquered in a contrast white to reflect the down light for spot illumination. A protective coating helps withstand the elements. Dark sky compliant and "turtle safe" when used with a compatible, amber-colored long-wavelength LED bulb. Finish will vary.
