

FINNEGAN SCONCE

DWC47
 Natural Jute
 H: 16 IN
 W: 8 IN
 D: 4 IN

Woven in a traditional Scandinavian rush seat pattern, this natural jute rope fixture lends a natural materiality to an architectural form. Clamped in an antique brass-plated iron setting, it is a dynamic addition to a classic coastal or rustic lodge-style interior. Certified for damp locations and intended for interior use. Finish will vary.
