

ARTERIO RS

GATSBY SCONCE

DWC49
Charcoal, Ricestone

The opulent and intricate linework of Art Deco informs Gatsby's resonant form. A faceted diamond of English bronze-plated iron is suspended on a grooved backdrop of charcoal ricestone composite, allowing light to bounce off its dark surface. This integrated LED fixture has a white acrylic diffuser to soften the glow from a single bulb. Certified for damp locations and intended for interior use.
