

JAYCE SCONCE

DWC66
 Vintage Silver Steel,
 Frosted Glass
 H: 22 IN
 W: 5 IN
 D: 4 IN

An elegant twist on the traditional pendant, this vintage silver steel sconce features a chain drop that suspends a frosted glass shade. Accented with chattered steel details that mirror the glass's ribbed texture, this free-hanging style is even more dynamic when displayed in multiples. Certified for damp locations and intended for interior use.
