

ALDRIDGE SCONCE

DW111
 Blackened Iron
 H: 18.5 IN
 W: 8 IN
 D: 4 IN

Playful intersecting planes of waxed blackened iron and black chiseled marble make an eye-catching mix in this modern sconce. Making the most of its intriguing lattice surface, it is designed so that light will reflect off the chiseled marble surface, delivering a soft and moody glow to any space. Certified for damp locations and intended for interior use. Finish will vary.
