

ANTON SCONCE

DW112
 Black Gesso
 H: 34 IN
 W: 8 IN
 D: 8 IN

An Iron Age spear is the unlikely inspiration for our diamond-backed sconce of black gesso finish aluminum. Its unique finish and pointed support may also recall the rugged lines of a shanked fireplace poker. Topped with black gesso finished shade to keep the effect modern and moody. Certified for damp locations and intended for interior use. Finish will vary.
