

ERNEST SCONCE

DW116
 Clear
 H: 18.5 IN
 W: 5 IN
 D: 4.5 IN

The shield-like Ernest casts an alluring mix of shadow and light wherever it is hung. Recalling a Brutalist brooch, a frame of natural iron, welded with antique-brass, seemingly “pierces” the fixture of clear seedy glass containing a single bulb. Antique brass rivet detail. Finish will vary.
