

CUZCO OUTDOOR COFFEE TABLE

FCS11
 Kona
 H: 17.5 IN
 W: 60 IN
 D: 28.5 IN

A traditional kidney-shaped table is reinvented with a dramatic carved texture, made with a marine grade engineered hardwood base and a kona stained grade A solid teak wood veneer. Smooth on the top surface, it is adorned with over-scaled gauging details around the perimeter and on each substantial, conical leg. Finish will vary.
