

FORNEY COFFEE TABLE

FCS15
 Satin Walnut
 H: 19 IN
 W: 38 IN
 D: 26 IN

We updated the mid-century puddle table in satin walnut wood. A grounded base supports tiered tops suspended over a single shelf. Wrapped in a lacquered natural eggshell, it is finished with a handcrafted technique prominent during the French Art Deco era. Applied across each curved edge and lacquered, the varicolored result is unique to each piece. Finish will vary.
