

WESTHEIMER DINING TABLE

FDI02
Antique Brass
H: 32 IN
W: 84 IN
D: 40.5 IN

The Brutalist-inspired, Westheimer dining table is stunning from any angle. Crafted in umber mango wood, the table is designed with bowtie-shaped pedestals that feature a wire-brushed finish and hammered antique brass clad that frames each base, further highlighting the bowtie silhouette. The rectangular, six-seat table also features an antique brass stretcher. Finish will vary.
