

HOGARTH DINING TABLE

FDS17
Dark Sienna
H: 30 IN

A new shape for a classic essential, this Art Deco-influenced design juxtaposes traditional materials with a contemporary form. Dark sienna lacewood veneer is finished with a high-gloss lacquer on the diamond-patterned top and the X-shaped base. Overscaled in size, it is a grounding accent piece for an entryway or dining room. Finish will vary.
