

FAIRFIELD BENCH

FHI09
Greige Leather
H: 18.5 IN
W: 64 IN
D: 20 IN

Tone-on-tone greige leather and taupe suede add textural allure to a waterfall blonde ash wood frame. Built at a more extended scale for larger living areas, the base's bullnose edges complement the geometric patterns of its eye-catching seat. Each puzzle-like piece is upholstered separately. Leather and suede will vary.
