GLADSTONE CONSOLE

FLI12
Smoke, Wood

Inspired by architect Frank Lloyd Wright's iconic home, Fallingwater, the sculptural planes of our modernist console were designed to catch and reflect the light. The rippled surface of smoke mango wood is balanced on supports of carbon iron, delivering an eye-catching mix of materials. This console was designed with an intentionally shallow depth, making it an ideal addition to an accent wall or hallway. Wood will vary.

APPEARANCE

Materials	Wood, Iron
Finishes	Smoke, Carbon
Finish Will Vary	Yes
Top Coat/Sealant	Yes

DIMENSIONS
