

TIDWELL CABINET

FNS04
Smoke
H: 78 IN
W: 40 IN
D: 19 IN

Our large-scale Tidwell cabinet is both graphic and elegant, existing harmoniously with traditional and contemporary environments alike. Crafted in smoke oak veneer in a radial pattern, the tall storage piece features antique-brass iron inlays, which form a strong geometric point to highlight textured, diamond-shaped hardware, also in an antique brass finish. The cabinet's interior is fitted with adjustable shelving and a drawer with matching hardware. Finish will vary.
