

TIMBERLINDE CABINET

FNS06  
 Chateau Gray  
 H: 36 IN  
 W: 47 IN  
 D: 19.5 IN

Beautiful, heavy-grained ofram veneer is punctuated with ribbed, bronze-finish hardware, creating a cabinet that is as striking as it is functional. The Timberlinde cabinet is constructed in simple, curved silhouette with contrasting chateau gray finish that cradles the piece, further highlighting the piece's gentle architecture and arresting wood grain. The double-door storage unit is outfitted with an interior shelf and sits atop a bronze iron plinth. Finish will vary.
