

BIZIKI DINING CHAIR

FR111  
 Morel Leather  
 H: 38 IN  
 W: 18 IN  
 D: 22 IN

Created with a handcrafted feel, our Biziki chair features a narrow back hand-wrapped in strips of morel leather juxtaposed with a supportive stitched seat. Finished with square back legs and turned front legs of smoke-finished beech wood, the textural design is a perfect marriage of Mid-Century Italian style and the American Arts and Crafts movement. Leather will vary.
