

LAKWOOD DINING CHAIR

FR119
 Stone Leather &
 Suede
 H: 40.5 IN
 W: 18 IN
 D: 21 IN

The Lakewood was designed to add textural impact. Both tactile and comfortable, its muscular frame of ebony beech wood is juxtaposed with the oversized woven back and seat of interwoven suede and leather in a soft stone hue. An antique brass crossbar at the top allows for easy portability about the room. Finish will vary.
