

HAMZA CHAIR

FRS28
Pearl Outdoor
Performance Bouclé
H: 27 IN
W: 28.5 IN
D: 26.5 IN

Concentric layers of thick, palm gray rattan poles frame the foundation of the elegantly eccentric and wildly organic chair. The rounded arms seamlessly flow into a tightly wrapped pencil rattan back that sits low for maximum support. A pearl outdoor performance bouclé plush cushion completed the seat for extreme comfort and functionality. Its natural esthetic allows this piece to easily blend with existing décor. The chair frame is indoor rated only. Finish will vary.
