

HUXLEY SOFA NOIR LEATHER WHITE OYSTER

FTU05
 Noir Leather
 H: 33 IN
 W: 77 IN
 D: 32 IN

A new take on the shelter sofa, Huxley's stylish silhouette is elevated in noir leather. The rhythmic texture of back-channeled details allows it to float stylishly within a room. Sloped arms with bolster pillows lend support for seating, while a shaped plinth base of white oyster oak wood adds a contemporary contrast of material. Leather will vary.
