

MONTEVITO CREDENZA

FZ103
 Antique Brass
 H: 32.5 IN
 W: 84.5 IN
 D: 21 IN

The geometric patterns of Art Deco influenced the curved lines of stainless steel inlay plated in antique brass that elevate our chic credenza. This spacious piece is covered with topstitched ivory leather and balanced on a plinth base of stainless steel plated in antique brass. Matching antique brass-plated stainless-steel pulls in the shape of a semi-circle punctuate each soft-close door with style. Inside, eight adjustable shelves of oak wood veneer finished in satin walnut create twelve spaces to store dishes, textiles, books, or keepsakes. Finish will vary.
