Effortlessly balancing vintage character with fresh, contemporary styling, the Vernier credenza bears all the markings of a true classic. The two-door, three-drawer cabinet is constructed in a rich combination of materials and details, with panels that nod to midcentury furniture design. Ebony oak veneer encases the piece, and hand-applied resin in a gray faux marble creates the façade for each drawer and cabinet door. Vintage brass forms a reveal around each faux-marble inlay for an added element of elegance. The credenza is fitted with shelves and touch-latch drawers and sits on an oak plinth. Finishes will vary.
