Our Vector credenza is a striking composition of textures and finishes that draw the eye, calling attention to its angular architecture. The trapezoidal, two-door cabinet is constructed in contrasting smoke oak and ribbed ebony veneers, forming a bowtie motif on the cabinet façade. Bronze-finished brass pulls open the accordion-style, dual-hinge doors, exposing the full width of the credenza's interior, which is outfitted with a fixed shelf. The cabinet sits on a bronzed brass plinth. Finish will vary.
