GAFCI01 MELT COFFEE TABLES, SET OF 2

ARTERIOS

GAFCI01
Galaxy, Marble

The Melt coffee table's undulating, interlocking monolithic forms are inspired by the process of pouring and molding molten material to create intricate shapes. The paired tables' bases are topped with organic, rounded honed galaxy marble tops, with the lower ebony mango wood table shaped to nestle perfectly into the higher base, though they can also stand alone as two distinct, functional pieces. Marble will vary.
