

MELT WALL DÉCOR

GAWPI01  
 White Gesso  
 H: 31 IN  
 W: 35 IN  
 D: 2 IN

Echoing the design language of our Melt entry table, the Melt wall décor's decorative smoke wood armature supports a cascade of hand-formed petals in white gesso-plated iron, strung in a series of vertical rods. A study in material contrast and diverse movement, this compelling piece suits a wide range of spaces. Finish will vary.
