

TYSON LAMP

PDC03  
 Antique Brass, Steel  
 W: 13 IN  
 D: 8 IN

Our pharmacy-style Tyson table lamp makes a handsome addition in any library or living space. The task lamp is crafted with a pivoting, triangular shade that is clad in white leather and lined in a white lacquer finish. Leather is featured again, tightly wrapping the antique brass steel post and the rectangular base, creating texture and visual interest. A slice of white marble forms the lamp's rectangular brass base. Finish will vary.
