

VALERIE LAMP

PDC05-SH007
 Natural, Rattan
 H: 23 IN
 Dia: 15.0 IN

The Valerie lamp exhibits a distinctive midcentury influence, with its simple, low-profile tripod design. Natural, matchstick rattan wraps the stem, imparting textural contrast and an artisanal edge against the bronze steel. A drum shade in white linen, lined in white cotton, and a cylindrical bronze finial complete the table lamp. Finish may vary.
