

AUBREY LAMP

PTC66-829
 Antique Brass, Gray
 Flower Marble, Black
 Marble
 H: 26.5 IN
 Dia: 18.0 IN

Defined by architectural elements and natural materials, the Aubrey is a showpiece. Even more so in our new combination of gray flower and black marble. Ovoid forms elevate the sleek frame of antique brass-plated steel and matching rounded base. Topped with an off-white linen shade lined in off-white cotton and an antique brass steel sphere finial. Finish will vary.
