

GIANNI LAMP

PTC71-150
 Ivory, Ricestone
 Composite
 H: 28.5 IN
 W: 20 IN
 D: 11.5 IN

A modern form in ivory ricestone composite is accented with antique brass-plated steel, which visually unites the mixed-material foundation adding a mix of sculpture and textural touch to a space, it is topped with a rectangular white linen drum shade with white cotton lining. Finish will vary.
