

WILHELM LAMP

PTI04-SH005
Ash Reactive, Glass
H: 32 IN
Dia: 18.0 IN

Our Wilhelm celebrates botanical beauty and inspired design. Crafted in ash reactive glass to mimic a mercury glass finish, the egg-shaped table lamp is ornately embellished with playful cast antique brass tendrils that wreathe around the neck. The lamp is topped with an antique brass sphere finial and an off-white silk drum shade, lined in off-white cotton. Finish will vary.
