PRO-LA

Security Hasp

Staple for PRO CU

Security hasp and staple fitting for PRO consumer units. Enables padlock attachment for enclosure security.

- Helps installers manage surface trunking and cable routes by allowing entry from the rear rather than awkward side or top entries, yielding neater wiring runs.
- Can be installed temporarily or permanently with no damage to the consumer unit if the hasp + staple are removed.
- Can accept 3mm, 4mm or 5mm Ø pad lock shackles
- A retaining wire keeps the hasp & staple paired when not padlocked to prevent loss.
- Manufactured from stainless steel.

TECHNICAL DATA

Product Dimensions (HWD)	40 x 30 x 30 mm	**Product Net Weight (kg)**	0.35
Gross Weight (kg)	0.37	**Barcode**	5026992000076
WEEE Category	Not WEEE	**Warranty**	2 years
