

The Electricians' Choice

PRO-R10W-P1S

Consumer Unit

10way - MS+RCBOs+T2SPD RKO

A single phase (6kA) metal consumer unit with round knockouts (white) comprising a 100A DP main switch, Type 2 Surge Protection Device (SPD) with 10 useable ways pre-populated with Type A 30mA RCBOs (2x B6A, 1x B16A, 3x B32A) for final circuits, complete with a comb busbar, mains tail clamp, DIN rail blank, rear grommet and label pack.

TECHNICAL DATA

Ingress Protection Rating	IP2XC	Rated Operating Voltage (Ue)	230V~
Product Dimensions (HWD)	268 x 281 x 109 mm	Useable Ways	10
Knockout Arrangement	ROUND K/O	Modular Ways	13
Product Net Weight (kg)	4.49 kg	Gross Weight (kg)	4.695 kg
Barcode	5026992058305	WEEE Category	9
Warranty	2 years
