Remote server management that enables secure remote computer access using your standard IP network

The ADDERLink® ipeps enables you to remotely access and control your critical computing hardware using your standard IP network. KVM connections are VGA and PS/2. Using RealVNC® client software, computers outside the network can be remotely and securely accessed.

ADDERLink® ipeps

Remote

Features

VNC

RealVNC Server with RFB 3.3 Support
Up to four users can remotely and securely access computers outside your network, with the possibility of creating 16 user profiles with defined access rights.

High Performance Video over VNC
RealVNC enables video resolutions of up to 1600x1200, as it is free of the limitations of HTTPS.

USB and Virtual Media Support
Engineered to act as a conduit through which data can be passed so that files can be transferred via IP onto the ipeps and onto the target computer by means of a USB virtual media port.

Independent Operation
Maintain full control even during boot up, BIOS level or computer crash states, it will work even if the controlled devices are not operational.

Enterprise Management Software

ADDER.NET provides a centralized, secure and intuitive user access management interface, where up to 16 user profiles with defined access rights can be created.

Video Information (1 Screen)	
Maximum Resolution (1 Screen)	1600 x 1200

Video Additional Information	
Video Additional Information	Supports standard PC, Sun and Mac video modes up to resolutions of 1600 x 1200 with scalable viewer.

Computer Connections	
VGA	1x
PS/2	2x
	2x

Link Ports	
8p8c (RJ45)	1x

Network Support	
10/100 Support	Yes

Environmental	
Operating Temperature Range °C / °F	0 to 40 °C / 32 to 104 °F

Power Source	
5V	1x

Physical Design	
Construction Material	Robust metal construction
Width (mm) / (in.)	120 / 4.7
Height (mm) / (in.)	27 / 1.1
Depth (mm) / (in.)	75 / 3
Weight (kg) / (lb)	0.34 / 0.7

Front Panel Features	
Single color status LEDs	6x

Compatibility	
OS Compatibility	Windows, DOS, Linux, Unix, BSD, Sun OS, macOS, NetWare, All known operating systems

Approvals and Standards	
Approvals	CE, FCC, KC

What's in the Box?
1x VKVM-1M KVM cable set
1x USB convertor plugs

Ordering Information	
AL-IPEPS-XX	IPEPS SINGLE
