

BL03

Straight to mains

FEATURES

IP rating	IP65
IK rating	Other
CSP Switchable	Single CCT
Sensor Option	No
Dimmable Option	No
LED Lifetime	L70 70,000h
Colour Rendering Index	CRI>80
Colour Consistency	SDCM3
Emergency Option	No

INSTALLATION INFORMATION

Input	220-240V AC
Maximum Ambient Temperature	35°C
Weight	5500g
Inrush Current	60A 0.037ms
Construction Material	Iroko wood
UK Bathroom Zone	N/A
SELV	Yes
Electric Class (1, 2, 3)	II
Earth Leakage	0.1
Suitable for coastal areas	Yes (with appropriate treatment)
UK Building Regulations	N/A

COLLINGWOOD
LIGHTING

LIGHTING INNOVATION

Adding style and flair to any design scheme, bollards can add depth and dimension to a landscape. Made in Great Britain, this high-quality bollard is made from hardwearing and aesthetically pleasing Iroko wood with sleek chamfered top and features a single LED for a neat and concentrated beam of light. Perfect for use with driveways and pathways, this bollard can be purposely positioned in a uniformed capacity to highlight a space or integrated into a landscape feature. For added flexibility, we have provided two cable entry options - side or base - depending on whether the bollard will be recessed or surface mounted, and a choice between three white LED colour options.
