

Casambi Ready

Bluetooth Mesh

Wireless Control

WARRANTY

Warranty

5 years

FEATURES & BENEFITS

Casambi's Bluetooth Low Energy (BLE) system eliminates the need for control wiring, allowing for quick and easy installation in any project.

All nodes are connected to one another, eliminating the need for a single router setup

Simplified Installation – No extra control wiring, gateways, or routers needed

Fast Commissioning – Configure and adjust settings via the Casambi App

4-5m cone detection pattern when installed at 3m

CASAMBI WIRELESS CEILING SENSOR

Recessed or Surface mounted PIR+Daylight sensor for use up to 4m

FEATURES

IP rating	IP20
