Spydra Spike Light adds charm and functionality to your outdoor space with its sleek design and durable build. It comes with an installation spike and water protection for a hassle-free setup. Dim it (with a compatible driver) to create the ideal ambiance, and select from domed or flat covers (both included). This low-voltage light provides excellent light output and even 360° distribution, all while remaining safe and effective. With an IP66 rating, it can withstand the elements and is ideal for gardens, pathways, and other applications. You can further personalise it with a variety of optional accessories (sold separately).
