# Antheia Solar

Antheia Solar Bollard  
Code: 4L2/6015

**Application** Garden

## Product Features

- IP54 modern LED Solar Bollard . Made from a robust die-cast aluminum body and suitable for all year round use
- Free to run and no energy bills. Harnessing the sun's natural energy, the lights offer an impressive 10-12 hours of illumination
- Equipped with built in PIR motion sensor
- Co-ordinating spike and wall lights available
- Flexible mounting options. Install into solid ground via the included screws or in soil and flower beds using the retractable spike accessory.
- Effortless installation, no wiring needed
- Enjoy a warm and cozy evening ambiance with the included warm white LED bulbs.
