

Category	LED Strip
Specification	Performance

# LED Drivers Constant Current Non-Dimmable

1W - 9W 350mA Constant Current LED Driver

Code: AD9W/350

• Thermal, short circuit and overload protection

• Thermal, short circuit and overload protection

## GENERAL INFORMATION

Wattage	1-9W
Input	220-240V
Product Weight without Packaging	0.057

## TECHNICAL INFORMATION

IP Rating	IP20
Class Protection	2
Internal / External	Internal
CE Mark	Yes
Height	22 mm
