PRODUCT FEATURES

- Sleek and modern undercabinet lighting range suitable for kitchen cabinets, wardrobes, and other residential cabinetry.
- Low voltage (12V) system for safe and efficient operation.
- The kit includes 3 lights; a driver, and a 4-way splitter to power all units. A single fitting (sold seperately) can be added using the included splitter to create a 4-light set up.
- Simple plug-and-play system, with each light featuring a 1.5m lead into the splitter, which then plugs in to the driver. Single lights are extensionsonly and must be used with a compatible kit.
- Removable frame ensures easy installation, allowing for quick surface mounting and seamlessly clicking back into place to conceal screws for a clean, polished finish
