

PlugPack  
PlugPack On / Off Microwave Sensor Module

DESCRIPTION

The PlugPack On/Off microwave sensor is designed for use within our PlugPack compatible bulkhead range. It features dip-switch adjustment for detection area, hold time, and daylight threshold. The module simply clicks into the compatible bulkhead and utilises the plug and socket for a toolless installation.

FEATURES

- Standard On/Off microwave sensor
- Clicks into PlugPack compatible bulkheads
- Toolless installation with colour coded plug and socket connections
- Adjustable detection area of 15° to 150°
- Adjustable hold time of 5 seconds to 30 minutes
- Adjustable daylight threshold of 2 Lux to 50 Lux
- 5 year warranty
