

PlugPack  
PlugPack Step Dim Microwave Sensor  
Module

**DESCRIPTION**

The PlugPack step dim microwave sensor combines two functions in a single module, offering the ability to operate as a standard microwave sensor or a step-dim corridor sensor. Featuring dip-switch adjustments for daylight threshold, sensitivity, hold time, and standby time. The module simply clicks into the compatible bulkhead and utilises the plug and socket for a tool free installation.

- FEATURES**
- Step Dim and On/Off function
  - Clicks into PlugPack compatible bulkheads
  - Tool free installation colour coded plug and sockets
  - Dims to 20% in corridor mode
  - Daylight Threshold and adjustable sensitivity
  - Hold Time from 30 Seconds to 10 Minutes
  - Standby time from 1 minute to infinity
  - 5 year warranty
