SQUARELINE-LED

Translucent Cover For Illuminated Edge Profile
Squareline-Led

MATERIAL

Polycarbonate

CARE

Polycarbonate does not require any special care. If necessary, it can be cleaned with clear, clean water and a few drops of washing-up liquid. Then wipe dry.

PROCESSING

1. Cut the cover to size.
2. Clip the cover onto the profile in the desired position or slide it in from the side.

The generally accepted rules of technology and tiling must be observed. Suitability for use with mechanical and chemical resistance must always be checked in each individual case.
