Penta Mini

Kosnic
LIGHTING • SIMPLY BETTER

08946 PENM/GU10-BLK

Penta Mini GU10 track light for 2 wire single circuit track, Black

- Easy installation with the front circular clip
- Available in white and black finishing
- Anti-glare reflector at the front

Overview

The Penta Mini's low cost doesn't come at a loss of quality, its has a built in anti-glare reflector and uses a GU10 socket. Its flexibility in use is only added to by its wide range of motion and front clip for easy repositioning anywhere along the single circuit track. It is a small but powerful spotlight.

IP20
