# Mains EME

CEL03LIC/N CEL03LIC/N

## 3W mains emergency module for dimmable downlight and GU10

- Designed to work with Kosnic dimmable downlight ranges
- Mains DC output
- (Mauna, Erta & Napa)
- Easy plug & play installation
- Unique self-adhesive LED indicator pad for easy installation

### Overview

This emergency module is for a selection of Kosnic LED downlights. Can be installed in ceiling void to provide a battery back-up supply in the event of a power cut. It allows pass-through dimming from the mains but will switch to the battery supply in an emergency. Needs a permanent live un-switched supply to maintain the battery charge.
