

Falco Pro

FALP-P/DV-BLK FALP-P/DV-BLK

Falco Pro P11 Interior PIR Sensor, 1-10V, Black

- Modular design allow both surface and recessed mounting
- Up to 5m mounting height
- All mounting accessories are included
- 360 degree detection range
- Adjustable time delay (10s-7min) and daylight sensitivity by knobs
- Configure with remote control
- Corridor function is available
- Available in black and white

Overview

The Falco P10 Interior PIR Sensor can switch up to 2 kilowatts, and with the ability to be surface or recess mounted makes it a good choice for many applications. The 360-degree detection range, and high mounting height gives it a impressive 10m detection radius.
