- Linear LED filament provides a traditional appearance
- Save energy up to 90% compared with an incandescent filament lamp

Technical Summary

Product Code

KFLM04G125/E27-GLD-N25-K

Overview

The Kosnic LED Antique Filament lamp has a special coating with a golden finish that shifts the light to a warmer colour temperature of 2500K giving an antique appearance and creating a warm and cosy living space. It is also highly functional and efficient, offering huge energy savings over filament lamps without compromising on brightness.
