Kuna 2 in 1

KUN0808/SST KUN0808/SST

Kuna Duo Emergency Bulkhead 8W Manual & Self-test 6500K

- Select manual or self-test mode via the internal dual-mode DIP switch
- Automatic self-test conforming to BS-EN-62034
- To adjust green LED indicator brightness, press and hold the test button for more than 2 seconds
- High emergency output of 1000lm
- Maintained and non-maintained option
- Trunking, surface and recessed mounting positions
- IP65 and IK10 (vandal resistant) for external uses
- BESA box fitting points

Overview

The Kuna is our high output emergency bulkhead that can be installed three different ways: trunking, surface and recessed. It is also both IP65 and IK10 rated for both internal and external uses and you are able to choose the emergency option you need via an internal switch - making it a very versatile option for any lighting
