

MIR4FT30-W40   MIR4FT30-W40

## Mira, Integrated batten, twin output, 20W 4ft, 4000K

- Retrofit replacement of traditional T8 single and twin battens
- Option of reflectors
- Option of integrated emergency version
- BESA box fitting points
- Slide & connect, designed for fast installation

### Overview

The Mira LED batten offers an output similar to traditional single or double output battens. The Mira utilises high performance LEDs to offer outstanding lumen efficiency. The battens are suitable for a wide range of applications including warehouses, factories and garages. The product range is also available with a built-in emergency module.

### General Information

|                   |                       |
|-------------------|-----------------------|
| Materials         | Housing polycarbonate |
| Installation Area | Internal              |

#### Technical Summary

|              |              |
|--------------|--------------|
| Product Code | MIR4FT30-W40 |
| BESA Entry   | True         |
